

## Assignment #1 in Old School HTML Unit

For this assignment do the following things:

- Open and save a document in Notepad...save it as A1.html in your shared folder.
- Start with the 8 standard tags.
- Change the title to Assignment 1 yourname.
- Change the background color of the page to whatever you would like.
- Write two paragraphs about your career aspirations.
- Write a reflection paragraph in your blog and create a link to the A1.html document.
